

Marie Antoinette Earrings:

Supplies:

4mm 5328 Swarovski Bicone in two colors

6128 8mm Swarovski Xillion Pear Drop

6128 10mm Swarovski Xillion Pear Drop

10 lbs Soft Flex Bronze beading wire

2.5 crimp beads

fish hook ear wire

5mm jump ring

1" headpins

1" eyepins

Directions:

- 1) Start with attaching 4mm jump rings onto each xillion pears
- 2) Insert headpin in each 4mm bicone crystal, and create a basic eye loop or wire wrap
- 3) cut Soft Flex wire pieces: 2pcs 5.5 inches , 2pcs 3"
- 4) take 5.5" piece of soft flex and beads in the following sequence: 4mm bicone color 1, 4mm bicone color 2, color 1, color 2, color 1, 10mm xillion pear, color 1, bicone, color 2 bicone, color 1 bicone, color 2 bicone.
- 5) Take 3" piece of wire and string beads in the same order as in #4.
- 6) Take ends of both 5.5" and 3" wires, longer length on bottom and short length on top, feed both lengths thru crimp bead, even out the ends so the wires are flush with the top of crimp. Smash crimp and cut off whatever excess wires peeking out of crimp with flat nose pliers.
- 7) place 6mm jump ring in between wires, add onto fish hook wire.

Repeat steps #4-7 to make the other piece
