INSTRUCTIONS

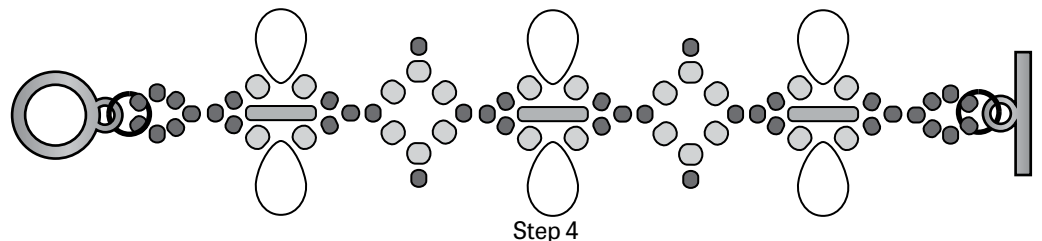

- On a comfortable length of thread, add 7 SB15. Form a ring and tie a double knot against the tail. Pass through the ring again for strength. [Note: depending on your clasp, you may stitch it in to this loop, or attach it to this loop later with a jump ring.]
- Bar Segment:** Add two SB15, one SB11, TD, SB11, CMB, SB11, TD, SB11. Pass through the second hole of CMB, then pass through the first SB11, TD, SB11 added in this step.
 - Add three SB15, then pass back through the second SB15 just added. Add SB15, then pass through the SB11, TD, SB11 on the second side of the CMB. Add SB15, then pass through the first SB15 added in Step 2a. Pass through the adjacent SB15 on the ring, then pass back through the first SB15 added in Step 2a. Pass through the beads on the first side of the CMB until exiting the SB15 as shown.

- Diamond Segment:** Add two SB11 and one SB15. Pass back through the second SB11 added.
 - Add SB11, SB15, two SB11, and one SB15. Pass back through the last SB11 added.
 - Add SB11. Pass through the SB15 at the top. Pass through the piece until exiting the first SB15 added in Step 3b.

- Repeat Steps 2 through 3 for a total of 11 CMB, ending with a Drop Segment. Use the outermost SB15 to form a loop for the clasp as in Step 1. Attach clasp after tying off.
