## CREATE A LAYERED PENDANT

Connect all three components in the Triplet Designer Component Series to create this striking pendant featuring TOHO® Demi Rounds™ and round seed beads.

### ABOUT THE ARTIST: NICHOLE STARMAN

Architectural Designer of Dimensional Beads and Jewelry

Nichole has been an integral part of the industry wholesaling Czech glass since the year 2000. She has produced some of the world's most notable styles and colors of beads. Nichole loves the infinite possibilities using the bead color palette to create wearable works of art. The introduction of TOHO® brand seed beads into her work has given new dimension to designing with Czech glass. Visit [www.facebook.com/nichole.starman.1](http://www.facebook.com/nichole.starman.1).

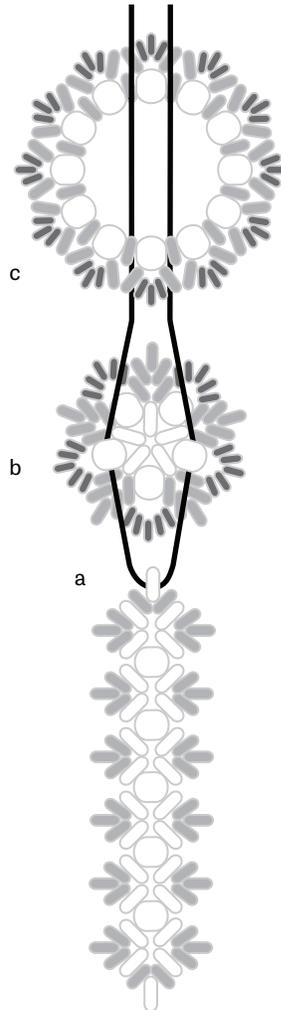

**COLORWAY:** TOHO 6° Demi Rounds Antique Bronze (TN-06-223); TOHO 8° Demi Rounds Inside-Color Rainbow Crystal/Pale Lavender-Lined (TN-08-786); TOHO 11° Demi Rounds Matte Color - Transparent Gold Luster - Montana Blue (TN-11-634F); TOHO 6° Rounds Opaque-Lustered Lt. Beige (TR-06-123).

## INSTRUCTIONS

Note: Choose a stringing material that can fit through the holes of size 6° Demi Rounds and size 6° Rounds.

1. Make all three components in the Triplet Designer Component Series (Long, Star, and Round). a) On 2' of thread, pass through one end size 8° Demi Round of the Long Component. b) Pass one end of the thread through one size 8° Round of the Star Component. Skipping the next size 8° Round, pass the other end of the thread through the next size 8° Round on the Star Component. c) Pass both ends of the thread through the Round Component.
2. Note: You are viewing the back of the pendant. Orient the Round Component as illustrated in Step 1 and slide it down the thread, over the Star Component; don't allow it to flip to the other side. Before pulling the thread tight, pass the Long Component up through the center of the Round Component. Snug the thread to stack the components (not shown).
3. Finish the thread ends as desired (not shown).
