## A VERSATILE COMPONENT WITH DEMI ROUNDS™

Just a few rows of simple peyote stitch give the look of right-angle weave with TOHO® Demi Rounds™ and round seed beads. Use with the other components in the Triplet Designer Component Series to create a pendant, or in a bracelet or earring design.

### ABOUT THE ARTIST: NICHOLE STARMAN

Architectural Designer of Dimensional Beads and Jewelry

Nichole has been an integral part of the industry wholesaling Czech glass since the year 2000. She has produced some of the world's most notable styles and colors of beads. Nichole loves the infinite possibilities using the bead color palette to create wearable works of art. The introduction of TOHO® brand seed beads into her work has given new dimension to designing with Czech glass. Visit [www.facebook.com/nichole.starman.1](http://www.facebook.com/nichole.starman.1).

## INSTRUCTIONS

1. On 2' of thread, add four B, leaving a 4" tail. Form a ring and tie a knot against the tail. Pass through the first two B. Add A, two B; repeat four times. Add two more B (for a total of four B added after the final A); pass back through the last A added.
2. Add two B, then pass back through the next A; repeat three times. Pass through the next two B of Step 1.
3. a) Add C, B, C; pass through the next B. Add three C, then pass through the next two B; repeat four times. Add three C; pass through the next B. b) Repeat Step 3a. Tie off both threads.
4. **Component jewelry ideas:**

**Necklace:** Add a jump ring to a B added in Step 3, then pass a chain or ribbon through the jump ring.

**Earrings:** Make two Long Components, then use jump rings to connect them to earwires.

**Bracelet:** Continue extending the length of the design to create a bracelet.
